2010 AUSTRALIAN INTERNATIONAL DESIGN AWARDS FINALISTS

For more information about products, please visit www.designawards.com.au

Product	Description	Category
Pelleres™	A revolutionary new sports product that uses the latest cutting edge advances in biomechanics.	Sport and Leisure
Malvern Star Oppy Bicycle Frame	An all new exclusively Australian designed carbon fibre bicycle frame developed around the principle of optimum ride performance, weight, aerodynamics, frame life and style.	Sport and Leisure
Knog Tools	A compact, multifunctional bicycle tool kit used to fix and tweak your ride.	Sport and Leisure
Everdure Neo Buddy	A versatile portable barbecue providing the ability to cook food wherever people want to, from the patio to the park, the beach to the boat.	Sport and Leisure
X-BIONIC® Fire Shield Underwear	Technically advanced functional underwear perfectly suited to extreme conditions in the fields of motorsports and fire protection.	Sport and Leisure
Meyerhoffer Surfboard by Modern Longboards	A hybrid surfboard combining the profiles of a longboard and a shortboard for increased agility and manoeuvrability in the water.	Sport and Leisure
Billabong SGX wetsuit	A wetsuit that soaks up 52% less water and is 25% lighter than current wetsuits making it the lightest wetsuit on the market.	Sport and Leisure
Everdure Neo Figura eSee	A barbecue featuring two 10W halogen oven grade lights underneath the roasting hood, providing light directly on to the barbecue plate.	Sport and Leisure
M8 Intensive Care	A fully integrated intensive care bed suited for the modern intensive care environment.	Medical and Scientific
Swift FX	A nasal pillows mask system used with Continuous Positive Airway Pressure (CPAP) for the treatment of Obstructive Sleep Apnea.	Medical and Scientific
Vitalograph copd-6	A new type of lung function screening tool for use by healthcare professionals to identify those at risk of Chronic Obstructive Pulmonary Disease.	Medical and Scientific
Cochlear Nucleus 5 System	New cochlear implant technology offering leading edge ergonomics, style and modularity.	Medical and Scientific
OPTILINE™ Drencher	A revolutionary sheep drench gun for the treatment of parasitic worms.	Medical and Scientific
TeleMedCare Health Monitor	A desktop multiparameter vital signs monitor for the home health care of patients with single or multiple chronic disease conditions.	Medical and Scientific
Signos™ Pocket Sized Ultrasound System	The smallest and most cost effective portable ultrasound device on the market.	Medical and Scientific
Bond III	A third generation, fully automated staining system for use in pathology laboratories and hospitals for the detection and diagnosis of cancer and infectious diseases in human tissue samples.	Medical and Scientific

STATx	An automated reader for performing blood group serology testing, and a world-first in combining a unique microfluidics consumable and a gel based method in one instrument.	Medical and Scientific
Imaxeon Salient	An advanced device used to inject contrast liquid into patients during medical imaging procedures.	Medical and Scientific
EasyGas DownUnder™	The first underground LPG storage system designed for residential and light commercial applications.	Housing and Building
Aquamonitor	A system that allows users to wirelessly view data relating to water usage from the comfort of their home.	Housing and Building
Clean Rain	The first product to offer consumers an all-in-one maintenance free rain head, first flush diverter and storm overflow in a highly compact and functional device.	Housing and Building
Maia Shower & Vitamin C Dechlorination Canister	The world's first beauty shower to deliver the health and beauty benefits of a spa experience in the privacy of your own bathroom.	Housing and Building
Nexion Vision Lockset	A range of residential home security products fully designed and manufactured in Australia to the highest quality standards.	Housing and Building
Bosch GBH 3-28 DFR	A professional rotary hammer used for drilling holes up to 28mm in diameter in concrete and masonry.	Housing and Building
LEX Slimline LED exit sign	A slimline LED exit sign based on revolutionary optical waveguide technology.	Housing and Building
Ei Saltwater Chlorinator	The world's easiest to install, operate and maintain pool chlorinator designed with the end user's needs at top of mind.	Housing and Building
Connex	A quick disconnect, reconnect electrical fitting for use with any spigot-mounted lighting fixture.	Housing and Building
Magna-Hinge	The safest and most reliable hinge in the industry designed specifically for frameless glass pool fence gates.	Housing and Building
Mainsflush Touchstone Toilet Flush System	A touchpad which activates the Mainsflush toilet flush valve, eliminating the need for a cistern and opening up space in the bathroom.	Housing and Building
Lockwood Mortised Sliding Window Lock	A sliding window lock system with a low profile and minimal visual impact to suit today's modern architecture.	Housing and Building
Enviromesh	A new generation reinforcing technology for concrete construction with less environmental impact, reduced labour costs and improved workplace safety.	Housing and Building
Mainline B Series Adapter System	An innovative, track based power distribution solution enabling access to power at any point along its length.	Housing and Building
Lockwood Polymer Safety Lockout Padlock	An Australian designed and manufactured polymer safety padlock ideal for potentially electrically conductive and ignitable environments.	Heavy Machinery
Nightshifter Hydraulic 6000	A mobile lighting solution for permanent applications that require the light location and positioning to change regularly, and for temporary lighting needs.	Heavy Machinery
Rado r5.5	A wrist watch fusing apparent simplicity, striking visual impact and a tough, iridescent surface.	Consumer
LG BORDERLESS™ TV	A new 47-inch Full HD LED LCD TV boasting a unique single layer screen representing the future of television design.	Consumer

2010 Australian International Design Awards Finalists

For immediate release: Friday 12 March 2010

Sunbeam Innovo® Thermo Twin Barbeque	A robust yet portable gas barbeque utilising an innovative three-tier cooking system which evens heat distribution, meaning perfect cooking results every time.	Consumer
Miele Island Cooker Hood	This elegant and highly practical cooker hood represents a major innovation in its category.	Consumer
Baby Jogger City Mini Single	One of the most lightweight (7.5kg), easiest folding swivel wheeled strollers on the market.	Consumer
Samsung SPACE Refrigerator	A revolution in fridge technology enabling greater internal volume without increasing external footprint.	Consumer
Samsung HEBA Washer + Dryer Combo	A 4.5 WELS rated 7.5kg/4kg combination front loading washer/dryer ideal for city dwellers looking to save valuable floor space.	Consumer
BabyBjörn Bassinet Harmony	A baby bassinet offering a soft and soothing environment that shields babies from light and insects.	Consumer
BabyBjörn Travel Cot Light	An extremely lightweight (only 5kg) travel cot for babies with a practical assembly that involves just a single movement.	Consumer
Citiz, Citiz & Milk, Citiz & Co	A range of three coffee machine configurations with different features while retaining a strong visual identity.	Consumer
JURA IMPRESSA Z7 Chrome	A coffee machine producing perfect cappuccinos and lattes at the touch of a button with no need to move the cup.	Consumer
Emotiv EPOC	A futurist gaming headset which detects signals directly from the user's brain to interface wirelessly with games and computers in totally new ways.	Consumer
Electrolux UltraOne	A vacuum cleaner completely redesigned from scratch that strikes the perfect balance between performance and low sound levels, design and manoeuvrability.	Consumer
Neff Single Oven	A uniquely designed oven equipped with many features to make cooking a pleasure.	Consumer
Lean+Green Lightweight Wine Bottles	A range of wine bottles between 18 and 28% lighter than their predecessors whilst retaining the same profiles and premium cues.	Consumer
COWON S9 MP3 player	The world's first personal MP3 music and video player to use an AMOLED display and offer BBE+ state of the art sound effect technology.	Consumer
Makedo	A reusable connector system that enables children above 3 years old and adults to construct and create things with found materials.	Consumer
Dyson Air Multiplier	A world-first bladeless fan using patented technology to multiply air 15 times expelling 450 litres of cool, smooth, uninterrupted air every second.	Consumer
Ultimate Autoclean	The world's first iron with an Autoclean soleplate boasting a permanent cleaning mechanism that eliminates micro particles.	Consumer
Dyson DC31 Motorhead Handheld	The only handheld vacuum cleaner that does not lose suction as it cleans.	Consumer
Tefal Ingenio Cocoon	The most compact cookware set on the Australian market taking up minimum cupboard space through innovative removable handles and stackable lids.	Consumer
Smeg Linear Pyrolytic 60cm Oven	A 60cm pyrolytic oven with a 68L net capacity, the largest among its European-produced peers.	Consumer

Breville Wizz™ Planetary Mixer	A diecast planetary action bench mixer with self scraping beater, whisk and dough hook, virtually eliminating the need to hand scrape the bowl, reducing mixing time by up to 60%.	Consumer
Breville Smart Grill	A health grill with integrated element grill plates that can be clipped out and dropped into the dishwasher for easy cleaning.	Consumer
Breville Smart Oven™	A new counter-top oven combining an intuitive interface with Element IQ™ technology to gently rise a cake, crisp a pizza, or quickly toast 6 slices of bread in a matter of minutes.	Consumer
Breville BKE820 Professional 800 Variable Temperature Kettle	A variable temperature kettle with five different temperature settings for optimal tea and coffee brewing.	Consumer
Electrolux Ebony Refrigeration Collection	A dark, seductive and striking collection of refrigerators for kitchens at the forefront of modern design and technology.	Consumer
Kenwood Cooking Chef	The first appliance to fully combine food preparation with Induction cooking.	Consumer
Kenwood kMix Stand Mixer	A stand mixer combining iconic form and renowned function ensuring the most simple to the most indulgent recipe can be created.	Consumer
Breville Fresca Espresso Machine™. Programmable Espresso Machine with Built-In Grinder	A new programmable espresso machine that converts beans to espresso in under a minute.	Consumer
Fiskars PowerGear Large Pruner	Ergonomically designed garden pruners for comfort and ease of use, and recognised as best in category for value and performance.	Consumer
Bosch EcoLogixx Condenser Dryer - WTW86560AU	The world's most economical dryer and currently the most energy efficient dryer in Australia.	Consumer
Bosch Home Professional Vacuum Cleaner	An intelligent and energy efficient vacuum cleaner resulting from cutting-edge technology and design.	Consumer
Siemens Built-in Pyrolytic Oven HB78AU570A	A built-in 63 litre oven featuring 13 heating functions and a new clearText display.	Consumer
Siemens Fully Automatic Built-in Coffee Machine – TK76K572	An espresso machine with minimal heat-up time that automatically achieves the ideal continuous pressure and perfect result.	Consumer
Electrolux En-V Barbeque	An outdoor barbecue with a unique drop down hood allowing for uninterrupted socialising between the chef and guests.	Consumer
Datapod System	A data centre capable of keeping pace with the rapidly expanding requirements of modern computer equipment.	Business and Technology
SafeZone IRAD	A radio-controlled, battery-powered, in-road flashing warning beacon providing more effective early warnings to drivers, allowing far greater response times.	Business and Technology
Motorola MC9500 Mobile Computer	An industrial-class rugged mobile computer for demanding outdoor applications such as parcel post, transportation and logistics.	Business and Technology

Termatrac T3i	A compact, ergonomic termite detection system designed to significantly increase the accuracy and reliability of termite infestation inspections.	Business and Technology
Compass Fluid Head	A premium camera tripod for professional users with unsurpassed smoothness and adjustability.	Business and Technology
Portable Variable Speed Limit Sign System	An electronic display system designed to improve and simplify traffic controls at road works.	Business and Technology
FLAT®	A hydraulic stabilising mechanism allowing any item with legs, skids or footings to be locked so the legs do not move and the item remains stable irrespective of surface unevenness.	Business and Technology
Payment Terminal - QT720	The first Australian designed and manufactured EFTPOS device exceeding the recent international payment security standards.	Business and Technology
Land Rover Discovery 4	A premium SUV designed to deliver exceptional breadth of capability, dynamic on-road performance and class-leading off-road performance.	Automotive and Transport
Hyundai i45	A feature filled five-door sedan with all the hallmarks of a luxury vehicle at less than half the price.	Automotive and Transport
Hyundai ix35	A 5-seat SUV representing a major step forward into a new category for Hyundai.	Automotive and Transport
Nissan 370Z	A sports coupe passenger car offering efficient mobility coupled with award winning engine technology.	Automotive and Transport
Nissan Murano	A prestige mid-sized SUV wagon representing a radical departure from the angular SUV wagon stereotype.	Automotive and Transport
Mazda CX-9	A stylish SUV available in three grades – Classic, Luxury and Grand Touring, that will carry up to seven passengers in comfort.	Automotive and Transport
Safe-n-Sound Meridian AHR Tilt & Adjust	A convertible child restraint for use in the car to restrain babies from birth to 12kg (approx 12 months) in a rear facing or forward facing position.	Automotive and Transport
Safe-n-Sound Hi-Liner SG	A booster seat for use in the car to restrain children weighing 14 to 26 kg (4 to 8 year olds).	Automotive and Transport
Audi A5 Sportback	A five-door vehicle combining three cars in one: the sophistication of a coupe, the comfort of a sedan and the versatility of an Avant.	Automotive and Transport
Audi A5 Cabriolet	A four-seat cabriolet featuring a soft top that opens in 15 seconds, representing the fastest time in its class.	Automotive and Transport
Sea Pen Advanced Dry Docking Technology	The most advanced dry docking system available, docking a boat at water level yet keeping it completely dry to avoid surface fouling and remain in pristine condition.	Automotive and Transport
Chevrolet Camaro	An all-new, Australian designed rebirth of its classic and iconic 1969 ancestor, carrying the dimensions, presence and overall refinement indicative of a modern sports coupe.	Automotive and Transport
Peugeot 308 CC	Peugeot's most evolved CC marking the 75th anniversary of the company's invention of the Coupé Cabriolet in 1934.	Automotive and Transport
Be	A multi-posture, multi-mode task chair with world-first backrest flexibility that responds to the way that you sit, move and interact with colleagues.	Architectural and Interior Products
FARAWAY	An extensive collection of bathroomware with new iconography and modularity, making it possible to organise your bathroom in totally innovative ways.	Architectural and Interior Products

Setu	A chair created with an innovative kinematic spine that bends and flexes to your every move.	Architectural and Interior Products
SolarGem Solar Home Lighting System	An affordable off-grid solar energy solution that aims to provide lighting to the 1.6 billion people still without electricity and lighting in rural and regional populations.	Architectural and Interior Products
Element Task Light	A task light offering groundbreaking advancements in LED technology, overcoming shortfalls of current LED task lights with unmatched performance.	Architectural and Interior Products
M2 Monitor Arm	A monitor arm with exceptional performance and durability in a lightweight, ultra-thin design.	Architectural and Interior Products
Pebble Modular Ottoman	A unique collection of eco seating that offers credible, independently verified environmental credentials.	Architectural and Interior Products
ON by Wilkhahn	A new milestone in office seating offering the ultimate combination of mobility and support.	Architectural and Interior Products
Link - Modular Partitioning System	A modular partitioning system based on a single building block used to create a seemingly endless array of different interior rooms.	Architectural and Interior Products
VIZAGE™ Glass Gate Hinge	A gate hinge designed specifically for modern glass gates that fits perfectly with today's common 50mm round posts.	Architectural and Interior Products
Glissade	A panel glide window covering designed for residential and commercial use offering high aesthetic appeal with smooth and reliable functionality.	Architectural and Interior Products
WHILE	An armchair combining lightweight materials, comfort and high standards of quality and manufacture at a reasonable price.	Architectural and Interior Products
HAG Futu task chair	One of the most user friendly, ergonomic task chairs on the market that is the result of a ground-up redesign with all new components.	Architectural and Interior Products
Anti-Rock Table Base	An original and patent-pending table base system designed to solve the common problem of rocking when placed on an uneven surface.	Architectural and Interior Products
Chiku	A new self-standing bookshelf combining the function of maximum capacity with a clever and fun design.	Architectural and Interior Products
Nimbus LED.next Line Series	Ultra-thin, height adjustable lights in pendant or table lamp format producing a high light output while running at safe-to-touch low temperatures.	Architectural and Interior Products
Nimbus LED.next Modul Q Series	A slimline, ceiling mounted downlight providing even floor to ceiling wall illumination.	Architectural and Interior Products
M-Pod Series II	A marine pedestal providing essential services to berthed watercraft, all within a sophisticated unit specifically targeted at the high-end international marina market.	Architectural and Interior Products
Casino Storage System	A two-in-one mobile office product that represents a fresh approach to both storage and short term seating.	Architectural and Interior Products
Evoke	A seating and writing system designed to integrate with the most advanced conference, convention and educational facilities.	Architectural and Interior Products
